Ah, G'wan Take That Gas Mask To City Hall

Wanted: cooperation from the more than 100 Daly City Civilian Defense volunteers who have not returned their gas masks as requested several weeks ago.

Reward: that feeling of having done the right thing at the right time. Those gas masks are urgently needed by the armed forces, according to Arthur J. Bodien, director.

How to cooperate: if a volunteer has not returned the gas mask originally issued him to the city hall, Room 2, or the police department (always open), he should take it there at once (and quick!), first attaching his name to it so that proper credit may be given his personal record with the war council.

Announce Lincoln Park Summer Plans

Daly City's summer recreation program will include supervised play for children of elementary school age at Lincoln park, Brunswick and Acton streets, beginning Monday, June 26, according to an announcement of the Daly City Recreation committee. Mrs. Betty Otton, 175 Acton street, who has had experience in recreation programs at Burlingame and in Honolulu, will be in charge.

Mrs. Otton plans to have games, handicrafts, and sports, on the daily program. There will be dodge ball, relay races, checkers, dominoes, tennis, shuffle board, tag, sewing, the making of doll clothes, pot holders, stuffed toys, beanbags, scrapbooks, necklaces, bookends. There will be story telling, with stories for all ages.

Numerous tournaments and team activities are anticipated. Hours are 10 a. m. to 5 p. m., Monday through Friday and 10 a. m. to 12 noon, Saturday. Mothers are asked to cooperate by not sending younger children to the center unless they are accompanied by older brothers or sisters.

The program will continue through the summer vacation period and all children of the city are invited by the recreation committee and the city council to participate in the activities.

Mayor A. J. Gaggero today reminded the public that Marchbank park is open for the use of the children and adults of the community at all times. While the baseball field was being conditioned the youngsters were asked to stay off it, but all other portions of the park are always open to them. Only supervised activity at Marchbank park just at present is baseball. Supervisor Charles Norry has a full program of baseball events for all ages under way in this sport and Sundays usually see good semi-pro contests under way to which the public is invited.

Local Draft Board Will Meet, July 7

Daly City Draft Board No. 103 will meet, Friday night, July 7, rather than Tuesday which that week falls on July 4, according to Mrs. Isabelle Flynn, chief clerk. Commander F. Edward Walker, District Coordinator No. 4 from Selective Service headquarters in San Francisco, is scheduled to meet with the men who comprise the Daly City board at the July 7 session. Farm problems will be the topic under study.

The local board has received a call for four men for induction into the armed forces, July 28, and a request for 48 men to take preinduction physical examinations, July 29.

A new system will go into effect, July 1, whereby it will no longer be specified at the time of the pre-induction physical whether a man is to enter the Army or Navy. Until he reports to the induction center a draftee will have no idea with which branch of the armed forces he'll be serving.

Hold Funeral Services This Afternoon For Principal James Ferguson, Head of Jefferson Union High School Dist.

Daly City lost an able leader, a man of integrity and unusual understanding, Tuesday morning, June 20, when James Ferguson, superintendent of Jefferson Union high school district, died at St. Luke's hospital, San Francisco, after a two weeks' illness. Students learned just 30 hours before Principal Ferguson was scheduled to introduce the class of June '44 at commencement exercises, June 21, that the noted educator had passed away. The announcement was made during the graduation rehearsal, Tuesday afternoon.

Funeral services were held, this afternoon, June 22, at 2 o'clock at the mortuary of W. C. Lasswell and company, 6154 Mission street. Conducting the last rites was Reverend Myron Herrell, of the Geneva Community Methodist church. Clive M. Saiz, faculty member and friend of the family, also spoke. Inurnment was at Olivet Memorial park.

For the past 17 years, Principal Ferguson has supervised the local high school and during his term it has grown into an educational plant envied for its modern equipment and excellent instruction throughout the entire state. The handsome gymnasium and pool were acquired through his particular effort, as were the shop and many other features which made it a school far above average.

Principal Ferguson's leadership, however, extended far beyond the boundaries of the high school. A firm believer in continued education for adults he made the night school program of benefit to the entire community, particularly stressing Americanization and citizenship classes for those who had not yet become citizens. He utilized the handsome grounds and buildings for the good of the community at large. Summer lunch programs for children, swimming and sports for grownups—these were the projects which always found his willing support.

Principal Ferguson

Born in Newtownards, County Down, Ireland, Ferguson received his primary education there before coming to the United States. He was a printer in Topeka, Kansas, and a teacher of commercial subjects in Olympia, Washington. In 1898 he entered Stanford university and was graduated in 1902, receiving his degree in history. He taught in San Francisco, where he became deputy superintendent of San Francisco schools. He was principal of Polytechnic high school. From 1916 to 1919 he was principal of the Union high school in Coachella valley near Indio, California. From 1919 to 1927 he was principal of Chico high school, coming to Daly City in 1927.

In 1943 he was appointed a member of the Civil Service commission of the County of San Mateo. He was a member of the board of the San Mateo Preventorium, of the Daly City Recreation committee, of the California Teachers association, of Chico Lodge No. 111, F. and A. M. He was past patron of Crocker Chapter No. 382, O. E. S.

He was a member of the Mosely Commission which went to Europe in 1912 to visit public schools in the interests of education here at home.

Principal Ferguson made his home at 86 Moltke street. He is survived by his wife, Mrs. Edith Ferguson; a daughter, Mrs. Eleanor Ferguson Underhill; a stepdaughter, Mrs. Howard Hosmer of Washington, D. C.; a stepson, Lieutenant Colonel Robert G. Bernreuter, Australia.

At today's services acting pallbearers were Andrew Vireno, Remi Sanders, E. A. Weisenburger, Claude Hackley, Oscar Busch, Truman Bentley. Honorary pallbearers were Roy J. Gale, Clive M. Saiz, Walter Griffith, Marion Hall, Adolph Hansen, John Harville, Howard Miguel, Elman Rose, Martinus Van Waynen.

School was dismissed at 12:15 p. m. today to allow students who wished to do so to attend the services. Students and faculty contributed a fund to purchase two sprays and placed the balance in a donation for the American Red Cross in honor of Ferguson.

Baseball Fans To See Three Games

Three games are scheduled for Daly City baseball fans at Marchbank park, Sunday, June 25. At 10 a. m., the Bayview Merchants will meet Simon Pure Bedding; at 12 o'clock, it's the Daly City Juniors against the Hamilton Rams; and at 2:30, the Junior Seals versus a team from the Presidio of San Francisco.

In each case, the game will be called, if necessary, to allow a following contest to be started on time. Manager Charles Norry announces that in no case will an inning be started, where less than 10 minutes remains before starting time for a later game.

Two close contests featured last Sunday's program at the park, as the Daly City Juniors broke a 1-1 tie in the ninth inning to win from Papenhausen Hardware, 4 to 1. Richie, Daly City pitcher, gave up only three hits. The afternoon game went 11 innings, with the service squad from the Presidio edging out the San Francisco Police, 10 to 9.

In Saturday's recreation tilts, the Daly City Cubs beat Holy Angels of Colma 5 to 0, lost to Morgan's team, 8 to 3, and defeated the Leonards, 5 to 4.

R. L. Crane Jr. Awards Diplomas To Graduates

R. L. Crane jr., superintendent of schools, awarded diplomas to 69 graduates of the Jefferson Elementary School district, Friday evening, June 16, at the high school auditorium. A large crowd of relatives and friends filled the auditorium for the occasion.

Company No. 1, D. C. F. D., "stood by" during the exercises. Music for the program was under the direction of Mrs. Muriel Vint.

The public grammar schools will reopen, Monday, September 11, for the fall term.

Guest speaker was Henry C. Hall, superintendent of schools, San Bruno.

Red Cross Workroom Issues Call For Help

Now that the invasion is under way, of the cooperation which civilians are asked to give nothing tops the need for bandages and blood plasma. The Daly City Red Cross workroom has been asked to step up its production of surgical dressings just at a time when summer vacation is depleting the number of workers, Mrs. J. G. Morris explained.

She appealed to women who have no small children to volunteer. The workroom is open every Wednesday and Friday from 10 a. m. to 4 p. m. The aid of every local woman who can give the time for this important war service work is urgently needed.

Return Suspected Thief To Daly City

Police Chief James G. Reardon and Officer Henry Sundermann jr. went to Terminal Island, San Pedro, Monday, June 19, to return William Van Gastelan to Daly City, where he will face burglary charges in connection with theft and malicious wrecking at 438 Winchester street, April 3.

The officers jailed the man here, Tuesday, June 20, and he will be arraigned, Friday, June 23, at Daly City court and a date set for preliminary hearing. If sufficient evidence is found he will be held to answer to the superior court.

That it doesn't pay to create a disturbance by arguing with a conductorette should be evident to Peter Smith, 11 Eugenia avenue, San Francisco, who was jailed, June 21 at 1:15 a. m. by Officers Roland A. Petrocchi and August Benassini, for disturbing the peace. He was later released.

Officer Benassini investigated an accident which occurred, June 19 at 10:40 a. m. Mrs. Wright, 742 Forty-second avenue, San Francisco, parked her 1936 Plymouth coach in front of 183 Oliver street. The car ran down Oliver

Summer Swimming Classes To Begin

The sixth annual Red Cross swimming, life saving, and water safety campaign will open at the Jefferson Union high school pool, Monday, June 26. Advance enrollment is necessary and deadline to sign up is June 23. Anyone interested still has tonight and tomorrow evening from 7 to 9:30 o'clock to register at the pool office.

There will be classes for nonswimmers, those who swim a little, those who have passed the beginner's test, and for those ready for life saving instruction. Further information may be secured by calling RAndolph 9898. A charge of 10c will be made to cover use and laundry of suits and towels, each time. Instruction will be free.

Miss Ella Redkey will be in charge of the classes, which continue through July 8.

Lions Elect Bennett To Head Organization

R. E. Bennett was chosen president of the Daly City-Colma Lions club at the group's election, Wednesday, June 14, at Colonial Drive Inn. Proprietor of Reb's Upholstery, 26-28 Hillcrest drive, Bennett served the organization, last term, as first vice-president. He has taken an active part in the club's sponsorship of Sea Scout Ship No. 144.

Other new officers include: Ed Weisenburger, first vice-president; L. H. Comer, second vice-president; Edward Byrne, third vice-president; John Ferrari, treasurer; R. L. Crane jr., secretary; Robert O. Fessenden, tailtwister; Edward Devincenzi, Liontamer; Dr. Ivan T. Budaeff and Dr. William J. Lantheaume, board of directors.

The local Lions club was represented at the district convention of Lions at San Jose, June 16, by John Newton, past president; Weisenburger, Walter J. Lehigh, James Schultz, and Albert Pulley.

Colma Reaches Twenty Per Cent Of Bond Quota

By the first of this week, Colma district had reached 20 per cent of its $100,000 quota, according to John Ferrari, chairman of the drive.

Mrs. M. Pauline Brown, war finance chairman for the area, announced that Bondadier Day, Saturday, June 17, was quite successful. In spite of being overshadowed by the first day of summer vacation, the event was attended by a number of youngsters who purchased E Bonds and were rewarded with a 10-minute jeep ride. The A. W. V. S. Bondmobile was in front of the Colma bank, along with the jeep, and ladies who assisted during the afternoon were Mrs. Alma Garibaldi, Mrs. Rose Corral, director of the Junior A. W. V. S., and Mrs. Katie Hummel. The Bondmobile was supplied by the San Francisco A. W. V. S. Bond committee.

The Colma area is taking a lively interest in the large thermometer, which records just where Colma stands in the drive, placed in Anchor Drug store by George Lagomarsino.

Daly City Buys $34,733.75 In Drive

Daly City will have no house-to-house canvass in the Fifth War Loan drive, Walter J. Lehigh, chairman, announces. Instead, local residents are asked to make their purchases at the Daly City theatre, Daly City post office, and Daly City branch, Bank of America. Early this week, Daly City had bought $34,733.75 in bonds, less than 20 per cent of its $175,000 quota.

The County of San Mateo purchased War Bonds and Daly City's credit as made possible by its action was $7,200, which is included in the total listed above.

Jefferson Union high school has been cooperating with the drive and on the opening day of the campaign, June 12, had a special assembly program with Captain Ernest C. Ruiz and Second Lieutenant William C. Canny, both veterans of Pacific campaigns, as speakers.

Mrs. Jean Conlon, who was to have directed the retail committee for the campaign, has had to relinquish the co-chairmanship due to illness in the family.

Old Glory Post and Auxiliary No. 2044, V. F. W., took the opening week at the bond booth in the lobby of the Daly City theatre. Crocker-P. T. A. had charge June 19, 20 and 21, while tonight, June 22, Daly City Post and Auxiliary No. 410, American Legion, begin their sales period which concludes, June 25. El Carmelo Parlor No. 181, Native Daughters of the Golden West, will be War Bond salesladies, June 26 through July 2.

Lehigh urges that every Daly City resident buy extra bonds during the campaign. It would only take the purchase of one $25 bond for every man, woman, and child in town to meet the quota.

IN ITALY

Staff Sergeant **Neil T. Pezzola,** son of Mr. and Mrs. Louis Pezzola, 156 Miriam street, is now in Italy with a bomb squadron of the U. S. Army Air Corps. He was promoted to corporal while at the Army Air base, Clovis, New Mexico in June, 1943.

To Complete Girl Scout Council Formation

Daly City's Girl Scout Council will be officially organized at a meeting of troop leaders, troop committees and council members, Wednesday, June 28, at the home of Mrs. Cecelia Hale, 599 Crocker avenue. Time will be announced later.

Miss Norma Northberg, from National Girl Scout Council, will be in the community, June 26, 27, and 28 to complete details for the organization. She will interview all prospective council members.

Company A Asks For Volunteers

Company A, Third Battalion, Twenty-third regiment, California State Guard, this week, called for more Daly City men to join the local group, which drills every Sunday, 10 a. m., and meets every Wednesday, 7:30 p. m. at 101 Parkview avenue.

Male citizens 18 to 64 years of age comprise this home guard. All that is required of a guard member is that he drill 2 1-2 hours a week and receive basic training similar to that given to the regular Army. In time of emergency each guard unit is called to active protection of its home community. No guard unit may be drafted as a unit into the Army.

Recently Governor Earl Warren pointed out that California is nearer to the battle-lines and more important to the conduct of the war by reason of its vital natural resources and industries than almost any other state. For that reason the State Guard is an indispensable part of the protection of California.

"It is our job not only to protect this arsenal of war but also to protect our own homes," Warren stated in urging men to sign up with the State Guard.

Further information on the local unit may be secured by calling Lieutenant Milton Mayer, LOmbard 6-6021.

and struck the pole in front of 147 Oliver. Damage to the right front fender and headlights resulted. The car was taken to Donahue's garage at the request of Mrs. Wright.

Sergeant Ricco Benedetti reported on an auto accident which resulted in property damage, June 17, 7:15 p. m. Drivers were H. J. Melicker, 447 Irvington street, and William Mayo, 439 Evergreen avenue.

Companies 1 and 2, D. C. F. D., Police Chief Reardon and Officer George Hopman put out a grass fire at the western end of Hillcrest drive, June 17, 12:55 p. m. when an alarm came in from Box 27.

June 17 at 9:50 a. m. Officer George Hopman called in the water department to fix a fire hydrant which was broken at Bellevue and Evergreen avenues when a car backed into it.

Somebody cut the wire and made off with the telephone in the Daly City Cab company's office, June 16. The theft was reported at 11 a. m.

Company No. 4, D. C. F. D., and Chief Reardon, Officers Hopman and Bill Bolger, responded when Mrs. Sam Rosenberg, 876 Brunswick street, reported a fire in the basement of her home. The washing machine motor was on fire.

Local police are on the lookout for Maurice Patrick Mulcahy, wanted by the F. B. I. for impersonating an Army officer, passing bad checks, theft and other offenses. Mulcahy, who works under a number of aliases, was supposedly in this area. He was driving a "hot" De Soto sedan, maroon color, with a Utah license plate. When the F. B. I. request came in, July 15, at 2:45 a. m., Officers Petrocchi and Roy Beecher checked local auto courts and taverns but were unable to find trace of anyone meeting the description.

Companies 1 and 4, D. C. F. D., Chief Reardon and Officer Hopman extinguished a grass fire in a vacant lot on Oliver street, between Hanover street and Bellevue avenue, June 15 at 3:56 p. m.

Daly City Theatre Shows "Jane Eyre"

"Their love was whispered to the echo of terror in the strangest love story ever told;" Orson Welles as Edward Rochester, and Joan Fontaine in the title role of "Jane Eyre," opening tonight at the Daly City theatre. Powerfully filmed by 20th Century-Fox from Charlotte Bronte's world-famous novel, "Jane Eyre" also features Margaret O'Brien, Peggy Ann Garner and John Sutton.

Ambulance Will Be Ready For Use Soon

County Manager Frederick Peterson, yesterday, advised Mayor A. J. Gaggero that the ambulance, which San Mateo county has decided to supply for the protection of this area in emergency cases, would be ready for delivery in about a week. It has been overhauled and painted and is ready for use as soon as two new tires are secured.

The ambulance will be stationed at Daly City. Details of its operation will be announced later.

Court St. Mary At Service Club

Next week, starting, June 25, members of Court St. Mary No. 1155, Catholic Daughters of America, will be hostesses at the Daly City Servicemen's club, 6201 Mission street. Currently, the Holy Name Sodality of Our Lady of Perpetual Help church is in charge.

The regular Saturday night dance will be held, June 24.

Byrne Radio store has donated a thousand paper plates to the club.

County War Council Continues Service

As in the past San Mateo county has again taken the leadership at a critical time. At the meeting of the San Mateo County War Council, June 5, it was unanimously decided to continue the functions of the council in order to make certain that in case of any emergency due to war action or natural disaster adequate protection would be afforded its citizens. Until natural disaster programs can be developed for the post-war period without doubt Civilian Defense is the only adequate substitute. This information was sent to each of the Nine Bay area counties composing the Metropolitan Bay Area Defense Council and each of the counties have sent letters in commending this action and stating that the step taken should go a long way in further cementing the relationship between the Bay counties and aiding them in forming their own plans to take care of their problems during the war emergency.

As San Mateo county is the first to have taken this step in Northern California and perhaps in the entire State credit should be given the members of the San Mateo County War Council and the County Board of Supervisors for their foresight and determination to see that protection is afforded.

Better Schools Act On November Ballot

San Mateo county voters, according to an announcement today, contributed 13,006 of the record-breaking total of 540,782 voter-signatures which have been filed with county clerks and registrars to qualify an initiative act for the November ballot which will liberalize state support of public grade schools.

The "Better Schools' Act," it was announced by John F. Brady of San Francisco, president of the State Council of Education, which is sponsoring the measure, will increase the state allocation to public elementary schools from $60 per pupil in average daily attendance to $80.

On the other hand, said President Brady, the new act, if approved by the people at the General election, will avert a crisis which has threatened the closing of hundreds of schools in congested and rural areas—and the burden on common property taxpayers, in many local districts, will be reduced by the increased state allotment.

With only 178,000 valid signatures required to assure the measure a place on the November ballot, Secretary of State Frank Jordan announced in Sacramento that the school proposal already has qualified by a big margin, although some of the major counties have not yet finished checking the heavy voter petitions. The voter sign-up for the school act is believed to be the greatest in the history of the California initiative, with every county contributing its quota. The petitions were circulated by friends of the schools, teachers and other volunteers, and no paid solicitors were employed.

Secretary of State Jordan announced that the school act will appear on the November ballot as Proposition Number 9.

ABOUT TOWN

Arthur J. Bodien, head of Daly City's Civilian War Council and superintendent of the Daly City Water Works, returned to his duties at the city hall, Monday, June 19, after enjoying a week's vacation in Marin county. Bodien reports that the fishing "wasn't so good" but he enjoyed the relaxation.

Joseph Sarto left Daly City, Tuesday, June 20, for Chicago where he will take part in the national Republican convention in that city, opening June 26. He is accompanied by his wife and son, Tito. He had been notified that the national committee has selected him as sergeant-at-arms.

Charles Christian, student at Jefferson Union high school, broke his arm while playing football, Friday, June 16, at the school. He returned to his classes, this week, after receiving treatment at Community hospital. He is the son of Mr. and Mrs. Raymond Christian, 137 Flournoy street.

DALY CITY HAS OUTSTANDING FILM

One of the greatest love stories of all times comes to the screen of the Daly City theatre, tonight, and it is to be reported at once that "Jane Eyre," amazingly popular as it has been with millions of readers, is destined to far surpass that success as a motion picture.

Since Charlotte Bronte's celebrated romance was first published, it has appeared in dozens of editions and has been a continuous best-seller. Now, on the screen, it attains new stature and greatness and is a proud newcomer to the long list of cinematic achievements of 20th Century-Fox.

In the leading roles of Edward Rochester and Jane — roles, it seems, that they were destined to play — are two of the screen's outstanding stars, Orson Welles and Joan Fontaine. Despite the acclaim that has greeted previous performances of these players, in "Jane Eyre" each reaches a milestone in their brilliant careers.

"Jane Eyre" has been described as "a love story every woman would die a thousand deaths to live." A girl with no home, no family, who has known only the cruelty of women and the bestiality of men, Jane's path crosses that of a man whose passion-tossed life has been spent searching for one woman he could love with all the depths of his soul.

Sweeping relentlessly through the whole range of human emotions, through passion, fury, laughter, terror, tenderness, the romance of Jane and Edward Rochester reaches a climax—and then a grim secret out of his past tears Jane from his arms.

All the transporting love, the frightening mystery, the almost unbearable suspense that marked Charlotte Bronte's emotion-torn novel literally lives on the screen, in all its onrush of unforgettable characters, scenes, and moments of glorious beauty.

Matching the superlative performances of Welles and Miss Fontaine, an exceptional cast lends life and breath to every moment of the story. Especially to be commended are Margaret O'Brien, who plays Edward Rochester's young ward; Peggy Ann Garner, in the part of Jane as a child; John Sutton, as Dr. Rivers, and Sara Allgood, Henry Daniell, Agnes Moorehead, Aubrey Mather, Edith Barrett, Barbara Everest and Hillary Brooke.

Robert Stevenson's direction is touching, tender, true.

CONVENTION TIME

With the pyrotechnics of war bursting dramatically on both sides of the globe, the political fireworks here at home has been temporarily eclipsed. But not for long. Next week the GOP convention—the first of the two pre-campaign extravaganzas—gets under way in Chicago.

From the present outlook both conventions should be short. Unless unforeseen opposition develops, both Governor Dewey and President Roosevelt will win the respective nominations hands down. The only contender the former racket-buster will have is Ohio's Governor Bricker. And as far as FDR is concerned, he has enough delegate votes to wrap up his fourth nomination right now, in spite of the Southern revolt.

With both presidential nominations virtually certain, the principal interest will center around vice-presidential candidates. California has a particular interest in this field because of the possible selection of Governor Earl Warren in spite of his efforts to avoid it. On the Democratic side, Henry Wallace is said to have the inside track for re-nomination due to his heavy labor support. However, House Speaker Sam Rayburn and Missouri's Senator Truman have also been prominently mentioned.

No other country on the globe would attempt to give such attention to politics during a war. But that's what makes America what it is.

THE JEEP: A MYSTERY

Few people in America today have not heard of or seen that versatile vehicle called the jeep. Ask any school boy what it is and you get a detailed description. Ask the average man if he would like to own one and you will get a spontaneous, "Sure!"

Yet, strangely enough, the jeep is a mystery—in fact, several mysteries. First, nobody seems to know who originated it. No less than four manufacturers claim its parentage. Second, the OPA wants to know how it should be classed: as a car, a truck, or a tractor. It can and does perform the services of all three. Third, where did its name come from?

While government agencies search for these answers, it is becoming evident that this potent puddle-jumper is destined for a wide and varied career in post-war days. Farmers, rural postmen, fire departments and John Q. Citizen himself all seem sure they can find many uses for it.

The virtually unlimited usefulness of the jeep hints at the vast field of expansion for all rubber-borne transportation after the war. The magnificent war performance of commercial motor carriers in handling one-fifth of the nation's freight with a capacity only one-twentieth that of the rails has created increased demands for this speedy and flexible type of transportation. Trucks are the main reason why this nation has averted a transportation breakdown such as occurred in the last war.

In the final analysis, the public itself isn't concerned about the origin or classification of the jeep or how it got its name. What most people want to know is: How soon can I get one, and how much will it cost?

THE ONE-TWO PUNCH

If we had been told before the invasion of Europe that news from that area would be crowded out of the headlines, at least temporarily, less than 10 days after the first landings, we would have said, "Preposterous!"

But it has happened.

The dramatic events that suddenly exploded on the other side of the world have taken the spotlight for the time. Our new sky superfortresses have rocked Japan with giant bundles of dynamite, and American troops have swarmed ashore on the Marianas islands only 1500 miles from Tokyo.

In the parlance of the boxing world this might be called the one-two punch. Our European invasion was a smash to the Axis chin, and our Pacific blow was a followup to the midsection.

It is reasonable to believe that our bold landings right in Tojo's front yard took the Japs by surprise. With all eyes on Europe, we imagine that the Japs, like most of us, expected the Pacific to be quiet for a while.

Secretary of War Stimson declared that no part of the Japanese homeland is now safe from the attack of our super skybirds. With a flying range that obviously must exceed 4,000 miles, these B-29's have introduced a new phase of warfare that is truly global in its scope.

It has been a long time since December 7, 1941. It may yet be a long time before the November 11 of World War II. But it is apparent that our two and a half years of steady toil along the comeback trail in the Pacific will now begin to pay off in real dividends.

Tojo, the handwriting is on the wall—and in the sky—and on the sea. We're coming!

NEWS FROM LOCAL OPA

(Editor's note: this column is prepared for The Record's readers by the local OPA board and is printed by this newspaper for the convenience of both the public and the board.)

Hearing panel of OPA Board No. 83-12-3, heard 17 cases, Tuesday, June 13. Penalties ranged from forfeiture of 2 "A" coupons for a speeding violation to forfeiture of a "C" book for failure to turn in supplemental gasoline when changing places of occupation. If you change jobs be sure you register change at OPA Board . . . Be sure you display the proper sticker on your windshield either "A," "B" or "C" (but only highest one). Your supplemental gasoline can be revoked if you don't comply. Speeding can cost you all of your gasoline.

Much has been said, but too little is known, of the process for filing suit for $50 when you have been charged over the ceiling prices. It's really quite simple and takes but little time. If you have been overcharged on a commodity and the overcharge for a single sale is not more than you may sue in the Small Claims Court for $50 under the Price Control Act.

More fruits and vegetables must be canned this year. The present point-holiday on canned vegetables is only temporary. Supplies of canned fruits and juices will continue low. Special emphasis should be given to the home canning of vitamin-C rich foods such as tomatoes . . . Remember the new hours at the board - 10 a. m. to 5 p. m. - open Tuesday to 8:30 p. m. - Saturday 10 to 12:30 p. m. . . . Truck operators apply at board in person for third quarter mileage ration.

"The Merry Widow" At SF Opera House

The New Opera Company of New York will bring the sensationally successful production of "The Merry Widow" to San Francisco for a two week engagement in Memorial Opera House opening, July 10.

San Francisco and Los Angeles will be the only cities outside of New York to see this magnificent presentation of the always popular Franz Lehar operetta with its new music version and new book. It comes on special engagement direct from a capacity year's stay on Broadway with the lavish original production and stellar cast practically intact.

Jan Kiepura, Polish grand opera tenor still remembered by film fans for his "Be Mine Tonight" heads the company as Prince Danilo with Melville Cooper as Popoff, the part which brought the distinguished English comedian to America.

A superb singing and gorgeously costumed chorus and brilliant George Ballanchine ballet are distinguished features of the presentation. Felix Brentano is the stage director.

Seat reservations may be had at the Opera Box Office, City of Paris.

Our boys must keep on fighting—we must keep on buying WAR BONDS until victory is won. Keep on BACKING THE ATTACK.

Clifton Fadiman, editor and book critic, is now a member of the Editorial Board of the Book-of-the-Month Club. His appointment is the first addition to the Club's board, since the organization was launched eighteen years ago, with Dorothy Canfield, Christopher Morley, Henry Seidel Canby, Heywood Broun, who died in 1939, and the late William Allen White, as the five judges.

CLIFTON FADIMAN

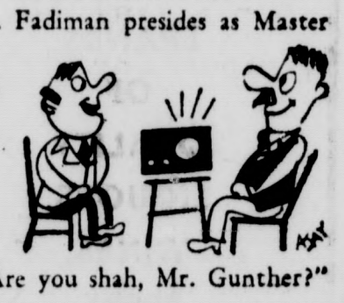
As the new judge, Mr. Fadiman will help to select the book-of-the-month from among the approximately 300 books submitted by the leading American publishers each month. Says Harry Scherman, President of the Club: "Clifton Fadiman's major interest has always been a deep concern with books, and the ceaseless cross-fertilization that goes on betwen literature and life. His highly individual book-judgments, and his acute critical conscience, fit beautifully into our editorial picture."

The Book-of-the-Month Club is the pioneer book club in this country and the largest organization of its kind in the world. Since the inception in 1926, the Club has selected, in advance of publication, a total of 257 books, many of which have since become land marks in modern literature.

Among these were "John Brown's Body" by Stephen Vincent Benét, "Kristin Lavransdatter" by Sigrid Undset, "All Quiet on the Western Front" by Erich Maria Remarque, "The Good Earth" by Pearl Buck, "Anthony Adverse" by Hervey Allen, Margaret Mitchell's "Gone With The Wind," "Forty Days of Musa Dagh" by Franz Werfel, and, more recently, "The Song of Bernadette" by the same author.

* * *

"Information Please" over which Mr. Fadiman presides as Master of Ceremonies, is popular with radio audiences not only for its sophisticated character, but also for the puns sometimes perpetrated by its participants. We were reminded of one in John E. Drewrey's "Post Biographies of Famous Journalists." When Guest Expert John Gunther correctly guessed the identity of the ruler of Persia, Fadiman asked, "Are you shah, Mr. Gunther?" Gunther's reply was, "Sultanly."



* * *

Also according to "Post Biographies," here are a few of the ways Clifton Fadiman worked his way through high school and college. He tutored a half wit; he read Shakespeare to a mad Wall Street plunger; he got ten dollars an afternoon on the golf links for trailing an earnest duffer around and telling him to keep his head down; he managed a country hotel; he lectured on French symbolist poetry at five dollars an hour. He ran errands for a butcher's shop; peddled magazine subscriptions in Weehawken; and he had a couple of amusement-park jobs. One of these was guiding women and children out of an imitation of the Cretan Minotaur's maze; the other was chasing boys off something called the Devil's Whirlpool.

Sea Scout Ship To Receive Charter

All committeemen, several Boy Scout commissioners, and the full company of the ship are expected to attend Charter Night at the Friday evening, June 23, meeting of Sea Scout Ship No. 144 at 6266-68 Mission street. The program will begin at 7:30 p. m. and highlight will be the presentation of the ship's charter for the new year. The ship is sponsored by the Daly City-Colma Lions club.

Membership in the local Sea Scouts includes the following boys: Torence P. Ashley, Joseph Powers, Charles Edward Christian, Robert Logan Meritt, Robert Montano, Jack Ferro, Robert Dawson, Jack Shipman, Eugene Lagomarsino, George Cabano, Carmen George Noli, Robert George Gardella, Taisto Pethman, Donald Fredrickson, Fred Bricker, Waldon Bryant, Robert Lewis, Robert Hummel.

Skipper is Councilman B. L. Meritt.

At the close of the ceremonies, two movies will be shown and refreshments will be served.

Two Graduates Get Religion Awards

Neil Cassidy and Mary Louise Schubert were the recipients of the religion awards at the June 16 commencement exercises for Our Lady of Perpetual Help parochial school. These awards are given by Court St. Mary No. 1155, C. D. A.

The sermon at the graduation was presented by Father Raymond J. Hore. The church was crowded for the evening's program which included the distribution of diplomas to graduates, the presentation of certificates to the traffic boys, and the Benediction of the Blessed Sacrament. A solo was sung by Miss Beverly Spani.

The children marched into the church in procession for the exercises.

Our Lady of Perpetual Help school is conducted by the Sisters of St. Joseph of Orange.

TO ENTER PLEA

Walter O. Davis, suspended member of the Daly City Police force, was arraigned, yesterday morning, June 21, before Judge Michael J. Roche of the United States court. The case was put over to June 27 at which time Davis will enter his plea in regard to F. B. I. charges that he was involved in the theft of $2,200 worth of chewing gum from freight cars at Third and Townsend streets.

Following his arrest, June 7, Police Chief Reardon suspended Davis, who had been on the police force here for the past year and a half.

MECHANICAL WAR WINNER

Military experts say wars can't be won without infantry. And infantrymen say you can't win without bulldozers. If a road, an airstrip or jungle clearing is needed, they call for the bulldozers. Where mules fear to go and trucks mire down, where even the ubiquitous jeep is halted, you'll find the bulldozers hard at work—moving things. Here an American built Diesel-powered bulldozer hauls an Australian 25-pounder mountain gun across a New Guinea river. This photo was taken close to the Yankee-Aussie action against Japs in the Bogadjim area.

Woman Pays $50 Fine For Traffic Violation

Judge William J. Sweeney found Martha L. Seaman, 455 Hyde street, San Francisco, guilty of drunken driving, Friday afternoon, June 16, at city court, and fined her $50. She pled not guilty and was represented by Attorney Alfred J. Henessy.

Wilbur Hilburn, 120 Edinburgh street, San Francisco, was fined $7.50 for speeding; G. R. Winland, 171 Los Olivos avenue, paid $3.50 for improper and overnight parking; James Angeluci, 120 Brockerick street, San Francisco, paid $7.50 on a speeding charge.

The case of Pat Bailey, who was brought back to Daly City from Reno, Nevada, by Police Chief James G. Reardon on a misdemeanor warrant for petty theft, was continued until the court session, Friday, June 23, at 2 p. m.

"YES, sonny boy, I'm your daddy—the daddy you don't remember because you were just a few months old when I left for war."

War is heartless, little man. It doesn't give much heed to family ties. But, along with millions of other men and women in uniform, your dad is doing everything he can to keep another war from starting when you're grown up and have children of your own.

It's more than good Americanism to invest in War Bonds... it's good business. Let's buy more Bonds than we planned, now during the 5th War Loan Drive... *and let's keep on doing so!*

LOU, FRANK, and QUIN

NEWS OF OUR MEN and WOMEN IN UNIFORM

Allied Force Advance Press Headquarters, Italy — Sergeant **Frank DeMercurio,** son of Mr. and Mrs. Anthony DeMercurio, Daly City, California, and husband of Mrs. Alice DeMercurio, 1109 Russell street, Berkeley, California, is with an American Port battalion attached to Peninsular Base section that set a new world's record for Army stevedoring by unloading 6,501 long tons of mortar and artillery ammunition from a Liberty Ship in 24 hours to supply Allied troops fighting in Italy.

Upon hearing of the new record, Admiral Sir John Cunningham, commander in chief of the Mediterranean, wired his congratulations "to all concerned" through the port commandant, Colonel Robert H. Clarkson, Santa Fe, New Mexico.

Colonel Clarkson gave credit for the new mark to the American soldiers and Italian civilian laborers who did the work. "When it was seen that a record was in the making," he said, "the men gave up their regular mealtimes and ate on the run." Although two shifts were used, many of the men worked through the entire period.

Prior to coming to Italy seven months ago, this Port Battalion had two invasions, North Africa and Sicily, to its credit. Since coming overseas 18 months ago, it has established itself as one of the best units of its kind in the entire Army.

Here's a photo of Lieutenant **Andrew A. Marcucci,** sent The Record from Italy.

This is what he had to say:

"Just a few lines to let you know that I've been on a few combat missions already and have experienced the feeling one gets while over enemy territory and enemy flak.

"We don't do too much flying but enough to keep us busy. Can't say anything about our missions but I can assure you that our group is doing an excellent job of bombing.

"I am enclosing a recent photo which I had taken in the town close by. It isn't too good but one can't expect the best over here.

"Not much to say except that we are plugging hard and have hopes of bringing this war to an end very soon."

The lieutenant is the son of Mr. and Mrs. A. J. Marcucci, 443 Bellevue avenue. He's a graduate of Jefferson Union high school.

Henry Sernack jr., private first class, U. S. Army, visited his parents, Mr. and Mrs. Henry Sernack sr., 101 Shakespeare street, from May 31 to June 4. He is now stationed as a gunner at Tampa, Florida. He took his training at Las Vegas, Nevada, and is a graduate of Jefferson Union high school.

Two friends who have just completed boot camp together at San Diego are home on leave in Daly City until June 20. They are **John Mosman** and **Andrew Parodi,** both graduates of Jefferson Union high school.

Mosman is the son of Mr. and Mrs. J. A. Mosman, 232 Hillcrest drive, and Parodi is the son of Mr. and Mrs. John Parodi, Evergreen avenue.

Mosman will report back to San Diego where he enters preradio school, while Parodi goes to Camp Miramar for aviation training.

15th Army Air Force—Second Lieutenant **Robert S. Capps,** 21, whose wife, Mrs. Barbara M. Capps, resides at 345 Winchester street, Daly City, has been awarded the first oak leaf cluster to the air medal "for meritorious achievement in aerial flight while

CAPPS

participating in sustained operations against the enemy."

Lieutenant Capps, a pilot on a B-24 Liberator bomber of the Fifteenth Army Air force, was presented the decoration between bombing missions on German-held targets in Europe.

A former student at San Mateo junior college, Lieutenant Capps entered the service April 24, 1942. He received his commission as a second lieutenant, June 30, 1943. Lieutenant Capps is now stationed somewhere in Italy with a Liberator bomber group, commanded by Colonel Thomas W. Steed, of Etowah, Tennessee.

Capps, son of Mr. and Mrs. Walter H. Capps, 345 Winchester street, is a graduate of Jefferson Union high school.

Bluejacket **Richard C. Sayko,** 22, 147 Santa Barbara avenue, Daly City, received recognition as eligible to qualify for the petty officer rate of electrician's mate third class, during recent graduation ceremonies at the Naval Training School (Electrical) on the campus of the North Dakota State School of Science, Wahpeton, North Dakota.

Selected for this special training on the basis of his recruit training aptitude tests the Bluejacket completed a course of study that included the use, function and maintenance of all electric tools used by the Navy. A theoretical phase included electricity and the radio elements of electricity.

The graduate is now awaiting active duty orders to sea or to some shore station.

Eugene Lowery, son of Mr. and Mrs. Emil G. Pahlka, 569 Winchester street, left today, June 22, for service with the U. S. Navy. He was graduated from Jefferson Union high school, last night, June 21. A farewell party was given in his honor by his parents at Legion hall, 474 San Diego avenue, Tuesday evening, June 20. A large group of his Jefferson classmates attended the party.

Staff Sergeant **Philip K. Boyle,** son of Mr. and Mrs. E. C. Boyle, 131 Winchester street, arrived in Daly City, Wednesday, for a furlough. He is stationed at Denice, Florida, where he is an instrument mechanic with the U. S. Army Air Force.

Boyle is a graduate of Jefferson Union high school and of San Mateo junior college.

Aviation Cadet **John C. Roberts,** son of Mrs. C. W. Roberts, 167 Los Banos avenue, has completed basic flying training at Merced Army airfield. While a pre-aviation cadet, Roberts was stationed at the Kearns, Utah, Army Air Forces center.

Missing In Action

Bay area casualty lists, this week, carried the name of Second Lieutenant **Franklin E. Pate** of Daly City. He has been reported by the War department as missing in action in the Mediterranean area.

Just a few weeks ago The Record had a letter from Pate telling of his activities in Italy where he was serving as pilot for a P-38 Lightning. His home address is 47 Eastlake avenue and he's a graduate of Jefferson Union high school.

In December, 1943, Pate completed his advanced flying training at Chandler field, Arizona, and was commissioned a second lieutenant.

Did You Buy That Stamp Yet?

New Federal $5 automobile use tax stamps are now on sale at the San Mateo office of the California State Automobile association, 101 South Ellsworth avenue, as well as post offices and internal revenue bureau offices, it was announced, this week, by Samuel W. Dutart, district manager of the motorists' organization.

The new stamp is for the fiscal year beginning July 1 and must be displayed on all motor vehicles in use, July 1 and thereafter. The tax for the full year, which applies both to private passenger cars and commercial vehicles, is uniformly $5, regardless of age or purchase price of the vehicle or mileage ration classification.

Federal law requires display of the stamp on the vehicle so as to be readily visible for inspection. State law restricts its display on the window glass of a car to "within a seven inch square" in the lower right hand corner of the windshield.

Harold A. Berliner, collector of internal revenue for the Northern California district, advised the automobile association that motor vehicle owners will have until the end of July to comply with the law before Federal deputies begin their check-up.

It's a comfort to know that these babies are free from tuberculosis Tuberculosis is never inherited, but loving relatives, who have no idea that they carry the infection, can give tuberculosis to infants. A child can develop tuberculous meningitis and die within a few days. Careful X-ray check-up of all known contacts of persons with tuberculosis is urged by tuberculosis associations.

The fifty-eighth annual grand parlor of the Native Daughters of the Golden West convened at San Jose, June 11, 12, 13 and 14. It was strictly a "war conference" with such noted speakers as Commander Corydon M. Wassell, U. S. N. R., who addressed the delegates on "The Evacuation from Java under Japanese Fire."

Finals of the state-wide public speaking contest were held. Subjects were "A Post-War World" and "The Future of Aviation."

Tully C. Knoles, president of the College of the Pacific, spoke on "California History as a State Asset." Grand President Mary B. Noerenberg, Los Angeles, presided throughout the session.

Wednesday evening, June 14, the following officers were installed for the ensuing term: Emily Ryan, San Francisco, grand president; Ethel Enos, Modesto, grand vice-president; Mary B. Noerenberg, junior past president; Loretta M. Cameron, San Francisco, grand marshal; Mae O'Keefe, San Francisco, grand organist; Dorothy Donofrio, Daly City, grand inside sentinel; Jewel McSweeney, San Francisco, grand outside sentinel; Maxine Kelly, Sacramento, Elmarie Dyke, Monterey, Betty Read, Jackson, Anne Shiebush, Los Angeles, Henrietta Toothacher, Woodland, Marion White, Piedmont, Margaret Farnsworth, San Jose, board of trustees.

A finale to one of the most outstanding endeavors of the year was the presentation of two station wagons to the American Red Cross by Margaret Kerr, chairman of War activities on behalf of the N. D. G. W. Vern Simmons, manager of the American Red Cross, San Francisco area, accepted the gift from the Native Daughters.

Delegates from Daly City's parlor, El Carmelo No. 181, were Margaret Steele, Hattie Kelly, Christine Hulme, and Dorothy Donofrio. They made their headquarters at the Sainte Claire hotel.

Johnson Club Elects Officers

Officers for the Arthur L. Johnson for Congress club were elected at a meeting of the group, Wednesday evening, June 14. Julius Castelan was chosen chairman; Frank Kent and Peter Kelly, vice-chairmen; W. A. Harju, secretary-treasurer. A committee on publicity was elected at the same session.

After an analysis of the primary election results, the club reports that Johnson won the Democratic nomination in the majority of the Daly City precincts, the Republican nomination in six, as well as a majority of the total Congressional vote. Members pointed out that Johnson supports the present administration.

The club meets the second and fourth Wednesdays at 8 p. m. in the headquarters of the organization, 6283 Mission street.

Mail Port 'News' To Many Cities

The June issue of the Volunteer Port Security "News" published by members of the San Francisco regiment of the Coast Guard, Temporary Reserve, disclosed the interesting fact that not all members are San Franciscans.

"Mailing of the 'News' must be segregated by communities," said Chief Boatswain's Mate Charles H. Shreve, the editor, "and that developed this rather striking evidence of the desire of Californians to have a share in this war. Practically every community around the bay, as well as some rather distant ones, are contributing manpower to the Regiment.

"With a total distribution of 1285 copies of the paper in San Francisco, we discovered residents of Atherton, Bayshore City, Belmont, Burlingame, **Daly City**, Fairfax, Larkspur, Marin City, Menlo Park, Millbrae, Mill Valley, Richmond, Redwood City, Ross, San Anselmo, San Bruno, San Carlos, San Rafael, San Mateo, Sausalito and South San Francisco are participating in this vital war work."

Congressman Anderson Introduces Resolution

Congressman Jack Anderson's resolution for the exchange of American nationals held in Japan for Japanese internees again has come to the fore in recent discussions of the problem in Washington.

Anderson's resolution, introduced earlier this spring, has been before the Committee on Foreign Affairs and calls for the appointment of a special commission to work outside of the usual channels to avoid the diplomatic red tape the State department has to follow. It also calls for the assistance of Joseph Clark Grew, former ambassador to Japan, in working out details, through whatever channels necessary for the immediate release of American citizens held in Japan in return for disloyal Japanese in this country.

Anderson, this week, called on the State department for information of any new developments which may have occurred.

Secretary Hull, in reply to a recent letter from Anderson, points out that steps are being taken, both through the Swiss and the Soviet Governments, to alleviate the conditions of internees in the Far East and that an agreement has been reached for forwarding Red Cross supplies from Vladivostok to the various points where American nationals are being held. He said also that an agreement has been reached for forwarding mail to them.

"We have recently reached an agreement," Hull says, "with Japan through the Soviet government's cooperation, for the shipment of mail to and from Japan via the trans-Siberian rail route. This would tend to expedite the exchange of communications between our prisoners of war and civilian internees in Japanese custody and their relatives in the United States."

1944 Ice Follies Show Skill, Wit

Imagination, plus skill and wit are liberally blended in Shipstads' and Johnson's all-new Ice Follies of 1944 now playing nightly at Winterland in San Francisco.

San Francisco critics have acclaimed the 1944 edition of the dazzling ice revue as superseding all previous Follies in spectacular numbers, breathtaking costumes and finished technique of all artists.

Again this year, the Shipstad and Johnson troupe of 130 young performers display an abundance of athletic handsomeness combined with skating skill and wisdom in showmanship. Many of the stars and line personnel are ice skating champions and veterans in show business.

Among the titlists is comedian Heinie Brock, a former national A. A. U. diving champion and participant in collegiate football, baseball, swimming and tumbling contests. Brock has been appearing in Shipstad and Johnson ice shows for more than eight years.

Another champion is radiant Norah McCarthy, former women's Canadian Figure Skating champion and runner-up for the North American title. She is teamed with young Michael Kirby, new star in the Ice Follies, and 1944 winner of the Canadian men's figure skating championship. Kirby once won the National Junior Pairs championship with Shirley Halsted, another Follies star.

Hazel Franklin, a newcomer to the show, won bronze and silver medals in her native England in competition tests for girls under fifteen. Other record holders in the Ice Follies roster of champions are Papez and Zwack, former Olympic Games competitors; and Fran Claudet, skating director for the troupe and a Canadian gold medalist. Betty Atkinson and young Bobby Blake both have several years of professional theatrical experience.

TAX LEVIES

Property tax levies in San Mateo county averaged $37.40 for every $1,000 of assessed valuation in the county for 1943-44, compared with $36.50 for 1942-43, California Taxpayers' association reported today. City, county, school district, and special district levies in the county are included in the $5,123,879 levy for the current year, which, applied to the $136,889,109 total assessed value of the county, produces the average levy per $1,000 of valuation.

Throughout the state, the average levy per $1,000 of assessed value amounted to $39.70 for 1943-44, compared with $41.10 for 1942-43, the association found. Total levy of property taxes for the cities, counties, school districts, and special districts throughout the state was $313,475,145 for 1943-44 and assessed value of property in the state against which these property taxes were levied amounted to $7,886,224,624.

Miss Shirley Yates Bride Of W. Kincaid

Miss Shirley Yates, daughter of Mr. and Mrs. Ira M. Yates, 551 Cypress avenue, San Bruno, became the bride of Willis L. Kincaid, U. S. Navy, son of Mr. and Mrs. W. L. Kincaid, San Bruno, Sunday, June 18, in Daly City.

The wedding vows were exchanged, at 4 p. m., in the beautifully decorated sanctuary of Grace Presbyterian church, 1006 Hanover street. Dr. William Harberts, pastor of the church, officiated at the double ring ceremony. Mrs. Einar Hanson, Daly City, played piano selections. Robert Tupper, U. S. Navy, sang "I Love You Truly" and "Because."

The bride was given in marriage by her brother, Charles Yates of San Mateo. Miss Bonnie McKenzie, Daly City, was bridesmaid. The groom was attended by his father.

Miss Yates wore an avocado green gabardine suit with a corsage of white roses and bovardia. She had white and brown accessories and carried a white bible.

The groom has seen four years of active service in the South Pacific islands.

The bride is a graduate of Burlingame high school and Cogswell junior college, San Francisco. She is a past queen of Job's Daughters.

Following the ceremony, a reception was held at the home of the bride's parents, after which the couple left for a short honeymoon trip. Upon their return they will make their home in Alameda where the groom is stationed.

Julia tells How to "Pep Up" Summer Appetites

THESE EARLY-SUMMER days — warm and busy—sometimes leave entire families with dull dinner appetites! But there are ways to change all that—*easy* ways. Oftentimes, what's needed is simply a different approach to a familiar food. For instance, try these ideas with

COLD MEATS

Roll a slice of bologna or boiled ham around a generous portion of potato salad or cole slaw.

Frizzle cold meats by frying them gently in a small amount of shortening.

Dice luncheon meat and toss it with a green salad or cole slaw—or mix it in with potato salad.

Put a mound of potato salad or macaroni on top of a peeled half-tomato, and cover with cold meat or strips of bacon.

★ ★ ★

And speaking of salads, there are dozens of ways to make them interesting and lively for warm-weather meals. Here are a few:

Tomatoes Yerba Buena! Scald ripe whole tomatoes (leaving the stems on if possible), and chill them. Peel when ready to use, and pile in deep bowl lined with lettuce or romaine leaves. Serve with your favorite salad dressing.

Cucumber slaw is cool! Wash and peel 3 medium-sized cucumbers, and shred them diagonally on a coarse shredder. Sprinkle with salt and lemon juice, and chill. Toss lightly with salad dressing.

Salad sandwich is a feminine favorite! Cover a 1-inch round of bread with lettuce, and then with tomato sliced 1 inch thick. Top with sea-food or chicken salad, and garnish with radishes and olives. Serve with Thousand Island dressing.

Angels' potato Salad is pleasant to the eyes and delightful to the palate! Simply press potato salad in an angel-food cake pan, and turn out. Garnish with radish roses, and ice with mayonnaise.

Carrots Waldorf makes good use of apples, of course. Combine 6 cups each of finely sliced raw carrot strips and raw apple strips with 3 tbsps. top milk, ¼ tsp. salt, and ¾ cup salad dressing. Toss lightly to mix. Chill. Serve in crisp lettuce cups with tsp. salad dressing. (If walnut meats are available, chop finely and sprinkle as a crowning touch!)

★ ★ ★

But of course one of the *best* ways to enliven summer appetites is to make sure all the foods you serve are of the best quality! If fresh vegetables aren't available from your own garden, be sure the ones you buy are as fresh as can be! Use salad dressings you know will be satisfactory! Buy cold meats where meat quality is known to be good!

And may your family's appetites be hearty, these warm-weather days!

News From District Grammar Schools

AT CROCKER

The pupils of Room 3 brought their unit on Ancient Civilizations to a close by studying about the Middle Ages and the many explorations succeeding it.

The study proved to be of great interest to all.

The pupils of Room 6 were shown a still-film entitled "Famous Cathedrals." This depicted world renowned cathedrals that were built in the early Middle Ages. This film correlated with the unit, "The Development of Culture."

Recently the pupils of Room 2 were shown some still-films. Among these were: "Early U. S. Indians," "Western Movement," "Daniel Boone," and "The Discovery of Gold In California." These depicted scenes from early American history and the children showed great interest in them.

AT JEFFERSON

During the last art period of their school term, the seventh and eighth grades made some original and effective Fifth War Loan posters. These posters are displayed in the Anchor Drug store where the Fifth War Loan thermometer marks Colma district's rate of progress toward its $100,000 quota.

In their public speaking period, last Thursday, the children in the fifth grade selected favorite poems to read before the class. The following selections were most appreciated by the children: "Barbara Frietchie" read by Ruth Durham; "The White-Footed Deer" read by Gloria Massoni; and "Indian Children" read by Gayle Broome.

As a result of this weekly period in which every pupil participated, the children are showing considerable improvement in voice, bodily poise and appreciation of good literature.

Last Monday afternoon the third and fourth grades had a delightful program that was the culmination of their study of 'Rubber.' Every child in the class contributed to the program in some way.

The stories were written by the children and each story was illustrated by a slide. Slide pictures were drawn and colored by Robert Giorni, Teddy Welp, Faustino Quitevas, Joseph DiGiordano and Dudley Hall. Nancy McCaffrey introduced the speakers. The opening remarks on the study of rubber were made by Robert Giorni.

The story was developed as follows:

1. Goodyear's Contribution ..... by Carolena Webb.

The accompanying picture showed Goodyear conducting experiments on a kitchen stove while trying to learn the formula for producing rubber.

2. Rubber Gatherers ..... by Sara True.

In this picture, Indians were gathering latex from rubber trees.

3. Preparing Rubber ..... by Billy Garner.

The story and picture told about the boiling of latex by native gatherers.

4. Transporting Rubber down a River ..... by James Marshall.

Here the pupils saw native boats in which large crude rubber balls were being transported down the Amazon.

5. Uses of Rubber ..... by Stanley Sages.

This picture showed some of the innumerable uses to which rubber is put and a few of its most important products.

6. How Today's Rubber Plantations were Developed ..... by Jack Tucker.

The Story of Rubber closed with an original poem by Marjorie Duncan that began with the following lines:

If we all ate rubber
Like the Eskimos ate blubber
There would be a great rubber slack - - -

and ended with the admonition that we all be 'rubber savers.'

John Patton brought the program to a close.

Strawberry Shortcake Perfect Summer Dessert

THE shortcake season is always greeted with enthusiasm, for lives there a person who doesn't like fresh strawberry shortcake? Most cooks have their own special way of making the shortcake. Some like individual round biscuits, some prefer one large shortcake, some like a sponge cake base for the fresh fruit. But one thing everybody likes — a generous serving, with seconds available!

Here we have a crusty, tender, melt-in-your-mouth shortcake, a little richer than the usual biscuit dough, but just as simple to toss together. This recipe calls for blended shortening, an economical, all-purpose, highly-digestible shortening that is a blend of meat fats and vegetable oils, and can be used for every cooking and baking use.

We like to bake large drop biscuits, then split them, spread with butter or margarine, fill with fresh berries, top with the other half and then more berries. Serve with a pitcher of light cream, top milk, or whipped chilled cream.

If strawberries are scarce when you do your shopping, tender pink rhubarb makes an excellent shortcake, Blueberries, raspberries, pineapple, any fresh fruit, sweetened to taste, can be used.

Shortcake Dough

⅓ cup blended shortening
2 cups sifted flour
3 teaspoons baking powder
½ teaspoon salt
2 tablespoons sugar
1 egg
1 cup milk

Sift flour, baking powder, salt and sugar together. Cut shortening into flour mixture until the consistency of cornmeal. Add egg and milk to flour and fat mixture, stirring just enough to blend. Drop by tablespoonsful on a baking sheet, which has been lightly greased with blended shortening. Brush top of each with milk. Bake in a hot oven (425° F.) 15 to 20 minutes. If you prefer, turn the dough into an 8-inch baking pan and bake in a hot oven (425°F.) 25 to 35 minutes.

ABOUT THE CAMPUS

Bill Wright, Army Air forces; John Mosman, Marines; Andy Parodi, Marines, were visitors at Jefferson, last week.

Election for boys' Block "J" officers was held, last week.

Court, held for the first time by Judge Art Valverde, was scheduled for Monday.

INSTALLATION

The installation of the incoming student body officers for the new term was held in assembly, Tuesday, June 13.

The out-going officers included: Lenore Ross, president; Deloris Thomas, vice-president; Lois Rich, secretary; Marjorie Schreiber, treasurer; Helen Capps and Bob Olson, judges; Don Van Kirk, sergeant-at-arms; Elsie Belli, yell-leader.

They, in turn, have given their offices to: Emile Lemoine, president; Dan Shannon, vice-president; Lois Rich, secretary; Rita Lozano, treasurer; Art Valverde, judge; and Winifred "Winnie" Grant, yell-leader.

NEW AND OLD

Thursday, June 15, a special meeting was called for the new and old members of the executive board.

Plans for the new student body card were outlined.

SOPHOMORE PROGRAM

Wednesday, June 14, completed the series of programs put on by the various classes. The first class to give their program was the junior, followed by the senior and freshman groups. The sophomores presented their program Wednesday.

The theme was a radio program. Announcer was Byron Kimler; master of ceremonies was Hubert McDaniels. The different acts included a trumpet solo by Glenn Wilkes; tap dance routine by Beverly Farthing; comedy act by Bob Cole and Wayne Root; accordion solo by Harold Bocci; and Ben Picetti did very well as Carmen Miranda. Benny Greenough and his sister Rose, did a jitterbug routine.

Marjorie Crawford, Alice D'Isep, Theresa DeLeon, Hazel Hendrickson, and Gloria Bacigalupi, worked out a lovely hula routine.

BONDS 'N STAMPS

Since the start of the Fifth War Loan drive, Monday, June 12, students of Jefferson have brought in a total of $1,244.30 in bonds.

Most popular items of the equipment that is being bought are the Navy life-boat and the outfitting of a lady Marine.

For the month of June, so far, the total, including stamps, as well as bonds, is $2,127.70.

BAND

The last appearance of the band, under the direction of Oscar Busch, was in assembly, June 15.

The band played two numbers. Emile Lemoine, new student body president, played a trumpet solo.

Surprise of the afternoon's performance was the appearance of Mrs. Martinus Van Waynen as piano soloist.

The students really appreciated and enjoyed her playing. She received four encores.

RALLY

A rally for the annual seniors vs. varsity football game was held in the gym, Friday, June 16. It was Winifred Grant's first rally since she became head yell-leader.

The band marched on the floor forming a "J" and played the school's theme song.

Featured on the program were two girls' teams representing the seniors and the varsity.

The game, (that is the real one) ended up 19-0 with the seniors the winners.

NEW DAUGHTER

A daughter was born, June 12, to **Mrs. Carl Barthel,** the former Miss Irene Twesten. Named Carol Lea the baby and her mother make their home at the residence of the maternal grandparents, Mr. and Mrs. Julius Twesten, 306A Knowles avenue, while Barthel is away in service with the armed forces.

Declare Dividends

Directors of Bank of America N. T. and S. A. have declared regular dividends for the current semi-annual period on both the common and the $2 cumulative preferred stock, payment to be made, June 30, to shareholders of record as of June 15.

Dividend declared on the common stock was $1.20 for the six months at the regular annual rate of $2.40 per share.

Government Costs

Costs of San Mateo county government alone amounted to $18.60 per person in the county for 1942-43, California Taxpayers' association study of data for county government expenditures, just made public by the state controller, shows.

Costs per capita for the county government for 1942-43 were divided among administration, $2.28 per person; protection to persons and property, $2.85; highways and bridges, $2.53; hospitals, health and welfare, $8.68; other functions, $1.57, and debt service, 69 cents.

High point in per capita expenditures in the county was 1941-42, when county spending averaged $22.04 per person, the association stated.

The statewide average per capita cost of county government in California in 1942-43 was $23.08, compared with a high for the past seven years of $29.23 for 1940-41, the association found.

The decrease in per capita costs in 1942-43 reflects, in most counties, the curtailment brought about in many activities of county government by the continuation of the war.

Ford Turns Out Liberator Bombers

More than 3,000 four-engined B-24 Liberator bombers have been built at the Willow Run Bomber plant, it was announced, recently, by the Ford Motor company. Of this total, 2,000 bombers were in completed, flyaway form and the remainder were knocked-down for shipment to final assembly plants elsewhere in compliance with the War Department program.

Production officials expect Willow Run, largest bomber plant in the world, to far exceed its quota this month. The present quota, in number of aircraft, was the peak Army experts had previously expected from Willow Run.

Local Ford dealer is National Auto company, 7360 Mission street.
